Fine with me . . . (extraneous matter removed by JJPjr.)

Patrick and Lessie/Nannette:

This email sets forth my understanding of the agreement we have reached regarding the electronic service of filings in this Docket.

1. AT&T, the Respondents in the Consolidated Proceedings (2010-14-C through 19-C) ("Respondents"), and the ORS agree to serve filings on one another in these Dockets by email and forego service of paper copies of filings.
2. AT&T and the Respondents agree that if an electronic filing includes documents or attachments exceeding 18 megabytes, in addition to serving the filing on the ORS by email, they also will send a separate email to the ORS stating that a filing was served upon the ORS by email and noting the time the filing by email was made. If the ORS has difficulty printing documents or attachments that are part of such a filing, AT&T and the Respondents agree to provide the ORS a hard copy as quickly as possible upon request by the ORS.
3. Filings will be served by email on the following representatives:

Patrick Turner (pt1285@att.com)

Respondents: Jack Pringle (jpringle@ellislawhorne.com)

Paul Guarisco ([guariscp@phelps.com](mailto:guariscp@phelps.com))

Chris Malish ([chrismalish@fostermalish.com](mailto:chrismalish@fostermalish.com))

Henry Walker ([HWALKER@babco.com](mailto:HWALKER@babco.com))

ORS      Lessie Hammonds ([lhammon@regstaff.sc.gov](mailto:lhammon@regstaff.sc.gov))

Commission Rule 103-830.1 provides that "Upon written agreement by all the parties in a docket, service of filings made in a docket at the commission may be made through e-mail or electronic service. The written agreement memorializing the parties' consents shall be filed with the commission in the appropriate docket." My understanding is that parties can comply with this rule by memorializing their agreement by email and forwarding that email along to the Interim Chief Clerk for filing in the docket.

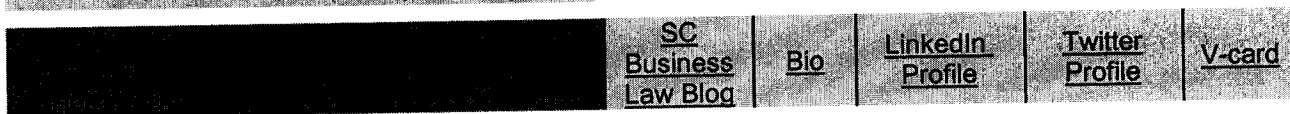

Accordingly, if this email accurately reflects our agreement, please use "reply all" to let me know, and I will submit that email string (with copies to all, of course) to the Commission for filing in the Dockets.
